A black, oval-shaped Amazon Basics wireless mouse is shown from a top-down perspective. The mouse has a smooth, matte finish and a contoured design with two main buttons and a scroll wheel. The "amazonbasics" logo is printed in white on the top surface. A small, gold-colored USB receiver is visible on the left side. The mouse is placed on a white surface next to a black ruler with white markings, which provides a scale for the object's size. The ruler shows measurements in both inches (0 to 7) and centimeters (0 to 30).
